

## **Recommending Dr. Joshua Lam**

*My first experience with Dr. Lam was my own wedding 11 years ago, on that day, I also found out he officiated my cousin's wedding several years back as well. As I have become a professional wedding planner 7 years ago, Dr. Lam has remained my 1<sup>st</sup> choice when couples are seeking bilingual (English & Cantonese/Mandarin) officiant for their wedding ceremony.*

*Dr. Lam always arrives early and comes prepared on the wedding day. He accommodates changes whenever is possible and makes sure the entire wedding ceremony is meaningful and family and guests feel welcome.*

*I look forward to many more wedding together with Dr. Lam in the future.*

*Dr. Lam, we worked together at Fion & Allan's wedding at Oakview Terrace. I was the Disc Jockey. I wanted to tell you that the ceremony you performed for them was just incredible. You certainly know what you are doing. Truly, it was one of the best ceremonies that I have ever seen.*

*I have been a DJ for over 20 years and the ceremony you performed for Fion and Allan will be a ceremony that I will remember for a long time.*

*In addition to officiating my own wedding ceremony, Dr. Lam had also officiated a few wedding ceremonies for members of my family. His professional yet warm demeanor makes him the perfect officiant to officiate civil or religious wedding ceremony. Furthermore, his pre and post wedding services are outstanding. Dr. Lam truly cares about the couples. I would highly recommend him to all my friends and family members.*

*Dr. Lam,*

*You did a TERRIFIC job and I am very happy. I would recommend you to anyone! You made the wedding process so easy because you were so organized and clear. I appreciate that you answered my concerns and questions whenever I had any. I also appreciated that you allowed me to add in my own personal touch - the fishermen's knot ritual.*

*Even Lewis, the DJ, said I made a good choice when I told him you were officiating my ceremony a few weeks ago!*

*My relative in Florida liked you so much that she asked me for your website ([www.DrLam.ca](http://www.DrLam.ca)) and information.*

*Thank you again! Hopefully I will see you again at my friend's wedding in August!*
